HITCH-HIKER IS KILLED HERE

Lyons Submits Qualifications To The Voters

Cites Horner Regime As Horrible Example Of Inexperience

Chicago, April 3.—Addressing Illinois voters as "prospective employers," Richard J. Lyons, Republican candidate for governor, summarized the qualifications upon which he bases his appeal for nomination and election.

In a radio address over station WFLD, and at a series of Republican mass meetings, the Libertyville legislator said:

"On April 9, the Republican voters of Illinois will face the solemn fact that, when they select their party nominees for governor, and United States senator and congressmen, they are, so far as it is in their power, deciding the kind of government under which we and our children must live for years to come."

"At this April 9 primary, the Republican voters, men and women of Illinois, by the choice of their party's candidate for governor, will unambiguously assume responsibility for the kind of administration, efficient or otherwise, for the next four years at Springfield."

Tell Qualifications
"You as voters are entitled to hear, and we as candidates have the duty to submit, what we consider to be our qualifications for the high offices we seek."

"When a man or a woman is applying for employment, the prospective employer asks: 'What is your experience and your record? Why do you think you would be valuable to me as an employee?'"

"You citizens are, in reality, employers. You have the right to insist that the candidates tell you what their experience and record consist of, and why they think they could serve you well."

"I believe we can all agree that in public affairs, experience is of great importance. Ten years of service in our state legislature has brought me a rather intimate knowledge of the problems of state government and administration which must be faced by the next governor of this great state, with its population of almost 6,000,000 people."

"I think I know something about how to curtail expenses of the various state departments without reducing their efficiency and value to the public."

"Having served with three-fourths

Firemen Answer 6 Alarms In Day

City firemen answered six calls Tuesday afternoon and evening and this morning.

"At 6:11 p. m. today they made a run to the residence of Raymond Barr, 600 South McKinley avenue, West Kankakee, where an over-heated pipe from a heating stove caught the wall on fire. The occupants attempted to put it out by dashing water on it, but soon had to summon firemen. Damage was estimated at \$15."

All the other alarms were to extinguish grass and rubbish fires. Largest was that yesterday afternoon at the Hamlet Grove and orchard and Hube, farm about three miles southeast of Kankakee on the Waldron road. The blaze damaged several fruit trees, telephones, poles and fence posts and for a time threatened the nearby cottage of Ed Giles, but firemen with the assistance of neighbors checked it in ample time.

Other calls were to 1218 East Chestnut street, the northeast part of the fairgrounds, a tree on West Jerry street and the Fifth avenue dump again late this morning.

Wisconsin Primaries Show Sharp Upswing In G.O.P. Sentiment

Milwaukee, April 3.—(AP)—Wisconsin Democrats endorsed President Roosevelt although incomplete returns from Tuesday's primary gave assurance today that he would capture all of the state's 24 delegates to the Democratic national convention.

With more than half the vote counted, the president was leading Vice President John N. Garner in the presidential preference balloting by a ratio of nearly 3 to 1.

Meanwhile, the Republicans were riding up a large lead for delegates pledged to vote for the nomination of District Attorney Thomas E. Dewey of New York. Dewey candidates for delegate-at-large were polling approximately two votes to each one for candidates committed to Senator Arthur H. Vandenberg of Michigan.

Neither Dewey nor Vandenberg was entered in the presidential preference primary, which is advisory

Germany Ready To Strike A Decisive Blow

Another Typhoid Scare Bobs Up At Manteno

Isolate 2 Patients With Symptoms Of Fatal Malady

Fear that typhoid fever may be again breaking out at Manteno state hospital, became apparent today when it was learned that at least two inmates of the institution have been isolated after showing symptoms of the disease which took 60 lives and caused 453 to be seriously ill last fall.

Dr. Walter H. Baer, managing officer, alerted rumors that anything like another epidemic was under way, but did admit that two patients were isolated because they have shown symptoms of typhoid. Specimens of their stools have been sent to Chicago laboratories for analysis. No report has yet been received on their findings.

A number of patients are reported ill of a mild diarrhea at the institution, but no cause for alarm is yet apparent in their condition.

Use Well Water Again
Three weeks ago the institution completed installation of a chlorinating system and resumed using drinking water from its own wells. The chlorinating system is supposed to kill all bacteria responsible for spread of typhoid.

Chlorinating, however, does not kill the dysentery germs which must be filtered out. The institution has a filtration plant under construction but it will not be ready for some time yet. The disposal plant has been enlarged to handle increased sewage flow, so no trouble is anticipated from this source.

For more than six months the drinking water used at Manteno state hospital was hauled from Kankakee in large milk trucks. Three weeks ago, however, it was deemed safe to resume use of the institution water supply, properly chlorinated.

A coincidence in the new outbreak of illness and the resumption of the use of the Manteno well water is noted in the incubation period of typhoid germs, which is from 15 to 21 days.

Goering Declares All Resources Of Empire Prepared

When The Fuehrer Gives The Word Armed Forces Will Advance In West

By RICHARD C. HOTTELET
Berlin, April 3.—(UP)—Marshal Hermann Goering declared today that when Adolf Hitler gives the word Germany's armed forces will "strike the blow" that will win the war in the west as decisively as Nazis triumphed over Poland in the east.

Germany's war machine stands like a closed iron block" facing Britain and France in the west. "With their (Germany's) back and flanks free" from danger, the No. 2 Nazi told German youth.

"Here (in the west) the decisive blow must fall," Goering said. "For this decision the Fuehrer has mobilized all powers."

Determined To End War
"And as we struck a blow in the east, so shall we strike a blow in the west, a sacred conviction—against the others, when the time comes to show that Germany is determined to put an end to the war."

"The German people were once the greatest people on earth and they will be the greatest once again. . . . When the Fuehrer united the German people into a community his enemies, whose hate and envy knew no bounds, broke their long-prepared war against us. When all other treachery failed they brought the horror of war to mankind for the second time. That is their eternal guilt. They will be charged with it in the future and because they committed this sin, fate will give this answer through us. Now they will learn what it means to attack Germany."

"In a lightning campaign of 18 days the Fuehrer and the German armed forces smashed part of our enemy. From the second day the German air force controlled the air over Poland. The Polish general staff was unable to establish communications with any part of the army. So did Germany strike! And as we struck the blow there so shall we strike the blow—it is a sacred conviction—against others when the time comes to put an end to the war. Our enemies will learn what it means to fight Germany."

Spoke To German Youth
Goering was speaking to German youth generally and particularly those in the air service, including anti-aircraft defense.

Alluding to the possibility that the German armed forces might find themselves fighting on enemy soil, he said:

"Our anti-aircraft defense is only in the interior for the present. The main duty of the air force is to show the enemy that he cannot put an end to the war. Our enemies will learn what it means to fight Germany."

Goering spoke for one hour on a national radio hook-up. Before him at the air ministry were youths training for the air service and air pilots.

3 Iroquois County Wills In Probate

Watseka, April 3.—(RN) Special—Wills of three former Iroquois county residents who died recently were probated today.

Mrs. Amanda Warnock who died last March 19 in Chicago, left \$1,000 in personal property which is to be divided equally between son Charles and daughter Eva Townsend of Onarga.

Henry Mann of Onarga, who also leaves \$1,000 in personal property, directed that it be divided among three sisters Maggie Palmer and Elsie Mann of Onarga and Martha Garrett of Sarepta, La.

The instrument of Carolina Scherer who died three months ago in Crescent City, awards \$5 to a niece Theresa Troup, \$50 to a nephew Walter Scherer and the remainder to a niece Adella Pape and nephew Robert and Lawrence Zempel, all residing near Crescent City.

Blame Driver For Accident On 49

Charles DeVore, 40-year old truck driver of Danville, whose truck was involved in an accident on highway 49 north of Kankakee Monday night, yesterday was arraigned before Justice Fred R. Smith on a charge of reckless driving.

The hearing was continued and DeVore was released under \$1,500 bond.

Runaway Boys Meet With Tragedy Here

A truck and trailer driven by Albert Stevens, 22, left above, and George Granum, 16, both of Milwaukee, Wis., crashed on highway 17 east of Kankakee this morning, fatally injuring Andrew Majkules, 17-year-old runaway hitchhiker of Milwaukee. With Majkules were George Halverson, 16, sister above, and George Granum, 16, both of Milwaukee. Stevens picked up the hitchhikers at Menomonee this morning. He is being held as a witness at the inquest into the death of Majkules.

Two Brothers Are Killed; Lightning Hits Their Home

Kalamazoo, Mich., April 3.—(AP)—Two brothers, George and Irving Kellogg, four months and two years old, respectively, were burned to death today as a bolt of lightning set fire to a two-room frame dwelling.

Mrs. Ruth Kellogg, 21, their mother, returned from a neighbor's yard with a pair of water, but was restrained from entering it. The small dwelling was consumed in 15 minutes.

Oswego Delegation To Visit St. Anne
By BARBARA JONES
St. Anne High School Reporter

Pupils and teachers of the Oswego high school of Oswego, Ill., plan to visit St. Anne high school in the near future. Representatives from the freshmen, sophomore, and junior classes will attend to study the spirit shown by St. Anne students and to inspect the building.

Oswego plans to build a new high school soon. The state inspector of schools recommended that representatives visit St. Anne to get plans for a practical building and to see an example of good spirit among the pupils.

2 Cub Reporters On Paper Staff Next Week

Bradley and Notre Dame Convent Vote For Representatives

Students in two high schools of the county—Bradley and Notre Dame convent—Bourbonnais—are holding this week to select favorite candidates to represent their respective schools as cub reporters on the staff of the Republican-News next week.

On Thursday evening the last ballot for Contest No. 4 will appear in this newspaper. All votes to be counted must be deposited in ballots at the respective schools not later than noon Friday. School authorities will determine winners and certify the results to the editorial office of this newspaper on Friday afternoon.

The winners in each of the three schools will then come to the Republican-News as promptly as possible to receive instructions and pose for pictures. Ballots for Contest No. 4 have appeared in each issue of this paper since last Saturday.

Diary Reveals Tragic Deaths Of 2 Trappers

One Died Of Starvation And Companion Ended His Own Life With Gun

Zeballor, B. C., April 3.—(UP)—A diary found between the shivered bodies of two trappers told today how one, weak and gasping from hunger, had watched his partner die of slow starvation. But the one who had survived the longer could not die the same death. He shot himself.

All but two pages were written by Lloyd Coombs, 27, who had been flown to lonely Vancouver island last autumn with James Ryckman, 28. They had not been seen since last August, when they disappeared into the wilderness. A searching party found their bodies, yesterday after an airplane pilot had sighted them. It was Ryckman who starved; Coombs who committed suicide.

Hopes To Be Forgiven
The last entry in the diary was dated March 17, the day Ryckman died.

"If I do anything I shouldn't, I hope that it will be forgiven," Coombs wrote. "I'd like to have my bible. It's in the bottom of my pack. I'm too weak to get it. I'd like to have said a prayer for Jim."

"It was after that, apparently, that Coombs pulled his rifle over to him and killed himself."

The first entry was dated Nov. 23. It told how they had lived on squirrels after their food supply ran out, how they killed an occasional duck and grouse and wild canaries and had burned fungus from trees in the hope of attracting attention from a passing airplane.

"Had five grouse and small duck today (Jan. 30), our first taste of food for days," the diary read. "The

Turks Do Not Plan Entering The War Against Russia

Ankara, April 3.—(AP)—Turkey told Great Britain today she "preserves in her decision to remain outside the war."

The Turkish position was outlined by President Ismet Inonu and Foreign Minister Sukru Saracoglu in a 90-minute conference with the British ambassador, Sir Hugh M. Knatchbull-Hugessen, who is leaving for London soon to report.

An official spokesman said the ambassador was informed that Turkey does not intend to enter the war against Russia, and that she is "firmly determined to live peacefully and work for the maintenance of peace."

Britain also was told "no danger of war exists in the Balkans," said the spokesman, who added that Turkey thus far has not been subjected to any pressure or proposal that she depart from a peaceful policy.

Fight Starts Over Rent Argument

Elmer Styck, 22, of 254 Brighton road, was fined \$5 and costs yesterday by Justice Henry R. Bauer when found guilty of assault and battery.

He immediately announced the intention of making an appeal to the county court.

He was arrested Saturday night by Gene LaFontaine, deputy sheriff, on the complaint of Homer Burns, Kankakee, rural route 4, who claimed Styck struck him during an argument over rent of property owned by Burns and formerly tenanted by Styck.

The latter admitted striking Burns but claimed it was in self-defense.

4th Victim Of Crash Enters Hospital

Three Kankakeans who were badly injured in a truck-auto crash last Wednesday morning at the intersections of highways 49 and 59 near Monroeville, were reported making satisfactory progress toward recovery today.

Edwin Bergerson of 540 South Greenwood avenue, who suffered the loss of an eye, fractured jaw and fractured leg, is a patient in St. James hospital, Chicago Heights. He has largely recovered from the effects of shock.

Frank Davis of 585 South Nelson avenue, who has been a patient in St. Mary hospital here, expected to leave the institution today. He sustained lacerations over the eye and a long scalp wound. Golden Knight of 1021 East Court street, who received six broken ribs, will remain longer in the local hospital.

Heavy Snow In The Northwest; Moderate In Middle West

Chicago, April 3.—(AP)—Heavy snow lay over North Dakota, eastern Montana and northern Minnesota today but elsewhere in the middle west moderately warm weather prevailed.

Forecasters C. A. Donnel said the snowfall in the three northern states in the past 24 hours ranged up to 10 or 12 inches. Rain fell in the northern Rocky mountain region and over the northern great plains, in the Mississippi valley, Great Lakes region and northern Ohio valley.

A mass of clearing, cooler weather moved in from the west, reaching Nebraska, Kansas, western Iowa and northwestern Missouri today.

Temperatures in the 80s were recorded yesterday in Illinois and Indiana. In Wisconsin it was well above freezing.

Handcuffs Self To Movie Star; Swallows Key

University Of California Student Suffers A Slight Stomach Ache

Hollywood, April 3.—(UP)—Dick Bruns, a student at the University of California at Los Angeles, spotted the red-headed Ann as she entered the preview of her first starring picture last night, slipped handcuffs around her wrist and his, popped the key in his mouth, and gulped it.

Fans stood pop-eyed in the lobby of the Hollywood theater while Richard looked at his victim and breathed, like a swain of the silver sheet: "At last."

"A Press Agent Stunt?"
"I ought to slap you down," retorted the startled Miss Sheridan.

Flashlight beams lit her escort, Jeffrey Lynn, looked agape, and reporters said to themselves: "A press agent stunt."

If it was no official Warner Brothers studio move, admit it. And stunt or no, there was the luscious Ann bound to Bruns with handcuffs of case hardened steel. What to do?

"Break it up," ordered police, while burly Blaney Matthews, chief of the Warner Brothers private police, yanked Bruns away into the inner lobby. He also yanked Miss Sheridan.

"Cut it out," she cried. "You're tearing off my hand."

"If I say cut it out," interjected a bystander who identified himself as Edward Stanton, lawyer whom Bruns brought along to protect his rights, if any. "You have no reason to handhandle this boy. He's only doing what 10,000 other men would like to do."

"Where's that key?" demanded Matthews.

"I swallowed it, honest," Bruns replied.

Called a Bet
Matthews, refusing to believe him, ordered Police Captain George Young to remove Bruns from the scene. Young stooped down, pulled off Richard's overalls, shook them, and found no key. Disgusted he gave

St. Anne Community Hall Adds Roller Skating Rink

By BARBARA JONES

Many recreational opportunities are offered people of all ages at this new St. Anne community hall. The most recent venture is a skating rink which opened March 3. The skates are of a composition and the floor is a special tile-lex. It is soundless and dustless. The rink will accommodate as many as 180 people at one time.

Victim Ran Away From Home With 2 Other Boys

Driver Loses Control When Big Truck Starts Swaying

Andrew Wajkules, 17, runaway hitchhiker from Milwaukee, was killed in a highway accident near Kankakee at 8:10 o'clock this morning.

His skull was crushed and he died instantly when a truck, drawing a heavy trailer, driven by Albert Stevens, 22, of Rensselaer, Ind., turned over on highway 17 a mile and a half east of Kankakee.

Stevens, an employee of the Spindler Truck lines of Rensselaer, was bound for the Florence Stone works to pick up a cargo. Wajkules was riding on the body of the truck.

His companions, George Granum, 16, and George Halverson, 16, also of Milwaukee, also escaped serious injuries although the former, who was riding in the cab of the truck, was cut about the head and face. Stevens was only bruised.

Started to Sway
Stevens told Coroner A. E. Kerger that the accident occurred when the trailer of the truck began to sway and was swung crosswise to the road. The truck and trailer turned over.

He said he picked up the youths at the Kankakee river bridge in Monroeville a short time before the accident. The two youths said they ran away from their homes day before yesterday and were bound "south."

Stevens and the two hitchhikers are being held in the county jail at the order of Coroner Kerger so that they may testify at the inquest. Wajkules' body is being taken to Friday funeral home.

Deputy Sheriff Walter Bauer, Albert Young and Ben Trombore were called to the accident scene by an unidentified motorist who saw the crash.

\$1,402,250 Retail Sales In January

Kankakee county retailers did a volume of \$1,402,250 in January of this year, on which they paid \$42,067 in sales taxes, according to a report from the state department of finance. This is the best January in recent years.

The volume is more than 5 per cent greater than the January 1939 total of \$1,299,388, and 19 per cent better than the same month in 1938 which was \$1,125,433.

Peoria Welcomes Brooks And Lyons

Peoria, April 3.—The enthusiasm shown at the recent Republican rally at the Majestic theater here demonstrated how voters of Peoria feel toward Wendell Brooks and Richard J. Lyons, candidates for the Republican senatorial and gubernatorial nominations.

Standing room in the huge theater building was at a premium. Before and after their speeches, Brooks and Lyons were the subjects of cheering and sustained applause.

The reception for Brooks and Lyons sharply refutes the claims upon Peoria county which have been made by their opponents. Persons at the Brooks-Lyons meeting said they had never seen candidates more enthusiastically received.

Son Given Entire Seybert Estate

The will of Daniel Seybert, late of Kankakee, was filed for the county court today by Attorney Samuel H. Eshapiro.

Drawn in 1935, the will gives the entire estate to the son Daniel Franklin and names him executor.

Bowling Deas Well
Another sport that has brought many people to the hall is bowling. Teams have been organized by different merchants of the village, and altogether there are 18 men's teams and six women's teams.

The teams were organized and first began their contests Oct. 22. At the present time, Brown's team stands at the head of the men's list, and Eddie Traubert's team leads the women's league.

A specially appointed committee is making plans for a bowling banquet to be held soon after the season closes, April 26. All members of the men's and women's leagues will be entertained at this banquet and the winning team in both leagues will be honored.

LARGE TOURNAMENT KANKAKEE HIGH TRACK JOPPES Northeastern Baseball League Starts Play May 5

Eight Towns To Form New Circuit

Baseball warfare, league variety, was announced today. The Northeastern baseball league, organized during the winter months, will launch its season on May 5. Don Betounis, one of the directors, will be in charge of the organization. The league will be composed of eight towns, and the season will be held in the Kankakee National stadium on April 12 starting at 7:30 p.m. Betounis said today.

Kankakee will be represented in the circuit by the state hospital, while six other towns are: Union Hill, Amn, Clinton, Easton, and Wilmington. It will be a strong group, and it is expected that the place of representation will be taken by the circuit. The league will be organized on Sunday.

Realizing the long felt need for league activity in baseball in northeastern Illinois, a group of interested citizens have organized a new league. The league will be composed of eight towns, and the season will be held in the Kankakee National stadium on April 12 starting at 7:30 p.m. Betounis said today.

Kankakee high school football schedule will open on the night of Sept. 13 under the lights of Alumni field against Danville. Danville, in other words, will provide the opposition for football and basketball. The 1940 football schedule is complete, and the basketball schedule is also complete. The season will be held in the Kankakee National stadium on April 12 starting at 7:30 p.m. Betounis said today.

JOE JINKS

By George McManus

I JUST GOT THESE POSTERS FOR THE TOWN, MR. JINKS. IT'S GOOD TO SEE YOU ONCE AGAIN.

BRINGING UP FATHER

By George McManus

YES, MR. JINKS IS HERE. YES, I AM IN THE TOWN. SAY YOU WANT HIM TO COME HERE. YES, I'LL SEE THAT HE COMES RIGHT OVER.

DIXIE DUGAN

By George McManus

COME IN, BOBBY. THIS IS MY MOTHER, MRS. DUGAN. HELLO, BOBBY. HELLO, MRS. DUGAN. HELLO, BOBBY. HELLO, MRS. DUGAN.

BLONDIE

By George McManus

WHERE ARE MY PAJAMAS, WANDA? JUST A MOMENT, DEAR. I WANT TO START THE WATER MY BATH.

ALLEY OOP

By George McManus

SURE, OOP MADE FACES AT YOU. HE'D DO ANYTHING TO RUN YOU OFF HER. HE'S DRIVING ME NUTS! I TELL YOU, I CAN STAND IT EVERY TIME I TURN AROUND. HE'S DRIVING ME NUTS! I TELL YOU, I CAN STAND IT EVERY TIME I TURN AROUND.
